

IEEE Expert Now

Organizing an IEEE Section/Chapter Event

Program Purpose...

- ◆ To provide quality educational materials via the IEEE Expert Now Program to enhance local IEEE educational activities and further support the value of IEEE Membership.

Program Overview...

- ◆ Contact IEEE EA Staff about organizing a local event.
- ◆ 1-3 IEEE Expert Now courses are chosen to be offered at the event.
 - ◇ Courses are delivered online or on CD.
 - ◇ Courses can be offered simultaneously in multiple rooms and then re-run in second half of meeting.
- ◆ Local experts on topics of chosen courses are recruited to speak and answer questions at the event.
- ◆ EA Staff provides your Section/Chapter with feedback surveys for all attendees to complete.
 - ◇ Surveys need to be returned to EA after the event.
 - ◇ Attendees who complete the survey and include their contact information will be issued IEEE CEUs for attending the event.
- ◆ IEEE Expert Now flyers will be provided to your Section/Chapter for distribution at the event.

During this pilot program in 2008, there is no charge for your Section/Chapter to participate in this program or for the attendees to receive IEEE CEUs for attending your event.
