

## Chai K. Toh

IEEE Fellow (2009) Chai K Toh has been elected to International Fellow of The Royal Academy of Engineering UK, for "pioneering the field of mobile ad hoc networks and its impact on defense and civilian sectors". Election to The UK Royal Academy of Engineering is the highest honor an engineer can attain in the UK. Founded in 1976, the academy elects the best and brightest engineers, inventors and technologists in the UK and from around the world to promote excellence in engineering."
